POLICE FORCE,
(DETECTIVE BRANCH.)

September 15th 1917

Sir,
E. Josephi, No. 13 Fearon Road made a report to Police Headquarters on the afternoon of September 14th to the effect that the wife of Ettinger of Nanzing Road has been making enquiries as to where she can purchase black hair dye and Josephi surmises in consequence that Ettinger is going to clear out and that his wife is making arrangements to change his hair from red to black in order to render the work of identification difficult if he is sought for by the Police.

Your Obedient Servant,

William Armstrong

1/c C.I.D.

Captain Superintendent of Police.
